

Village of Balsam Lake  
Public Works Committee  
Wednesday April 13, 2016 5:00 pm – 5:45 pm

Meeting called to order by Jeff Reed.

Members present: Geno D'Agostino, Jeff Reed. Members absent: Kathy Poirier

Discussion was held with Cody Korsan DPW and Andrew Aslesen, Sourcewater Specialist with Wisconsin Rural Water Association regarding the creation and adoption of a Wellhead Protection Plan for Wells #1, #2 and #3. Points of interest that were discussed within the plan: background, hydrogeologic setting, groundwater flow direction, zone of influence, zone of contribution, potential contaminant sources (work with existing industrial businesses to protect well #3), wellhead protection area, management strategy and contingency planning.

Andrew will update the plan and the committee recommends the Village board adopt the wellhead protection plan.

Andrew will draft an ordinance amending or recreating section Wells in the village code regarding a Wellhead Protection Ordinance and the committee will recommend adopting the ordinance.

Motion by to adjourn Geno D'Agostino. Seconded by Jeff Reed. Carried.

Lori Duncan, Clerk Treasurer
