

Members present: Roxanne Moore, Faye Brittan, Richard Hustad, Deb Johnson  
Members absent: Sandy Bibeau  
Others present: Barry & Maureen Cicchese, Elaine Erickson, Dave Knutson

Meeting called to order by Chairman Roxanne Moore.

Variance #98 Barry & Maureen Cicchese

Barry & Maureen did contact Polk County Land & Water Resource to get recommendations on how to address water runoff if they add the garage & deck to their property. Their recommendations were to install gutters & downspouts with catch basins. They also stated that even though they are losing green space with the addition of a garage & deck the plantings will compensate for that green space. Barry & Maureen contacted Jon Hol, ProLawn to draw up a site plan with the proposed garage & deck including the catch basins & plantings. They also contacted Wayne Swenson to survey their lot. After reviewing the site plan all members were satisfied with the site plan as presented.

Motion by Deb Johnson to approve Variance #98 to build the garage, deck, bunkhouse/storage including the site plan submitted 6-11-13. Seconded by Faye Brittan. All in favor. Carried.

Motion to adjourn by Richard Hustad. Seconded by Deb Johnson. Carried.

Lori Duncan, Village Clerk
