Discussion regarding parking on Main Street in front of the Polk County Museum. Jim Duncan had a discussion with the county regarding the possibility of installing angled parking on Main Street in front of the Polk County Museum. After talking with an individual from the state, it was found that they do not allow angled parking on State Roads and that while the Village maintains the parking and annual maintenance it is still under the State jurisdiction. Jim Duncan communicated that the individual from the State would be willing to attend a meeting to communicate the details to the committee. Jim Duncan also brought forth the idea that we could also partner with the County to add angled parking on the north side of Old Courthouse Ave allowing for more parking for both the Museum and businesses on Main Street. Chair, Corby Stark noted that she would contact the Museum to coordinate a joint meeting to discuss the possibilities of installing angled parking on the north side of Old Courthouse.

Motion to adjourn by Kellie Flaherty. Seconded by Aimee Newbauer. Carried. 5:15 p.m.

Lori Duncan, Village Clerk Treasurer
