

Meeting called to order by Chairperson Kellie Flaherty at 4:00 p.m.

Members present on roll call: Kellie Flaherty, Aimee Newbauer, Jena Paquette

No public comments.

Discussion and possible action regarding vendor permitting within the Village of Balsam Lake. The committee reviewed other communities' food vendor permit ordinances and applications. Some concerns committee members have heard from business owners in town are: food trucks need to be further away from downtown, the fee per application is too low, there should be a limit to the number of times a month or year a food truck can serve food in town and the hours of service should be limited. The committee reviewed their current ordinance related to vendor permitting. Concerns were noted how the farmers market participants are not permitted nor are food trucks the Balsam Lake Chamber allows to participate in town festivals. General consciences from discussion were to send businesses who sell food in town a survey regarding their input regarding mobile food vendors. No action was taken.

Motion to adjourn by Jena Paquette. Seconded by Aimee Newbauer. Carried. 5:30 p.m.
