

APPLICATION FOR SEWER CONNECTION

To: Balsam Lake Sewer Commission
Village of Balsam Lake, Polk County, Wisconsin

I hereby request permission to lay a _____ inch sewer connection from my premises
on _____ (Street).

Should this permit be granted, I agree to install said sewer connection in the manner covered by Village Ordinances. I also agree to have a stake placed and marked "Sewer Connection" on the property line where the service is to enter the premises.

The nature of the effluent is hereby declared to be: Domestic Sewage-Factory Waste-Miscellaneous.

I understand that this license is revocable should the existence of this connection be deemed detrimental to the interests of the Village.

The work is to be done by: _____

Owner of property: _____

Address of property: _____

Mailing address: _____

Connection made by: _____

Connection date: _____

Remarks: _____

This application granted by: _____
For Balsam Lake Sewer Commission
